2015 issue 01 **RightStuf?**

People laugh at me when I tell them I like the weather here in Iowa. They say I'm crazy because it gets cold here in the winter and hot in the summer. But I enjoy the weather because there are four distinct seasons each year, and each brings with it unique and interesting experiences. As we move into spring, the flowers are starting to bloom, the buds are on the trees making their way to leaves, and the grass is greening up. It's like a whole new beginning.

Speaking of new beginnings, Right Stuf has a number of new and exciting things coming to you in 2015! We are expanding our product offerings and we have acquired some new technology to streamline many of our processes, so that we can provide additional shipping and customer care services. We are incredibly excited about our pending changes and look forward to receiving your feedback! Stay tuned....

We've been busy in our production area as well. We've announced some new upcoming titles, such as *Looking Up at the Half-Moon*, *Sketchbook ~full color's~, Please Teacher!*, *Please Twins!*, and even more exciting, *Turn A Gundam!* Through our partnership with Sunrise, we're going to be bringing back the *Gundam* universes in full, with titles that have been available before, as well as series that have never had a North American release! Watch for more complete details throughout the year. And watch for more announcements, I've got some great stuff in store for you.

Every year I marvel at how far our industry has come since we started selling videocassettes of anime in the late 1980s. The seeds planted then have grown into something wonderful. Some of you are new to us, and some are from the very beginning. My focus is to continue to make Right Stuf the best place for you to buy, and for your purchases to arrive perfect to you so you can add them to your collection. We're a business run by fans, for the fans. Each and every one of you.

Best,

Yakitate!! JAPAN

Yakitate!! Japan is a comedy anime all about the power of good food. The title of the show is a play on words, and when translated, comes out to "Freshly baked Japanese bread"; so of course, one of the major themes of the story is food culture. In Japan, rice is the staple food, so Kazuma Azuma's goal is to make bread into something that the country can celebrate and adopt into mainstream culture (similar to how castella and ramen, which were brought over from Portugal and China respectively, have been adopted as mainstream Japanese foods). But in real life, has Kazuma's dream of a Japanese bread already come true?

In the first episode, Kazuma's sister Inaho asks her mother if she can have toast for breakfast, since all of her classmates have toast regularly. Is this true? Well, Makiko Itoh of *The Japan Times* wrote an article titled *Japan's Secret Love of the Breakfast Loaf*, documenting the country's obsession

YAKITATE!! JAPAN AND THE CULTURE OF FOOD

with bread. She says that now, "Many people prefer toast for breakfast over a bowl of rice, and sandwiches... are just as popular for lunch as bentō and rice balls." The reasons why may surprise you.

According to Slate's Nadia Arumugam in her article *Waves of Grain: How did Japan come to prefer wheat over rice?*, the United States government had a hand in changing Japan into a nation obsessed with bread. "Back in the early 1900's, the Japanese consumed some wheat, but in small quantities, and certainly not as a staple. ... Urban working-class folks also encountered wheat, but mostly in the form of udon noodles from street stalls or restaurants, and even then as a snack rather than a main meal." Like Grandpa Umataro in *Yakitate!! Japan*, most farmers were completely unfamiliar with wheat. They had rice, vegetables, and fish, and many liked it that way.

But the Sino-Japanese War and World War II led to rice shortages, and postwar Japan was on the brink of starvation. Kazuma's grandmother recounts how the U.S. Army provided bread to people during the American occupation following World War II, and this is based on real history – Americans gave aid to the Japanese in the form of wheat flour and lard. However, the biggest impact on Japan probably came from school lunches. Japanese kids were given bread at lunch time, which largely affected the taste of future generations. The program was such a huge success that the U.S. continued to provide free wheat even after the occupation ended. It's no coincidence that in *Yakitate!! Japan*, a lot of the challenges that Kazuma and the others face during the Pantasia Rookie Contest are to make breads that are commonly eaten for school lunches!

Over 90 percent of the wheat consumed in Japan is imported, mostly from the U.S. Recently rice flour has emerged as a healthy alternative to wheat though, which is a plus for rice farmers in Japan like Kazuma's family! Rice flour is now being used all over Japan, since the demand for bread shows no sign of stopping. For example, as recently as 2010, Pizza Hut restaurants in Japan began incorporating rice flour into their pizza dough. As an interesting note, one of the characters in *Yakitate!! Japan* makes bread out of rice, which he calls Gopan, a combination of the Japanese words for rice (*gohan*) and bread (*pan*). Now, electronics manufacturers like Sanyo sell an appliance called Gopan that makes noodles, bread, cakes, and pastries out of rice. Could there be a connection...?

Food has a lot of power. Even in *Yakitate!! Japan* this comes through, in the form of laughter, camaraderie, and a fighting spirit that can overcome any challenge. Good food can bring people together and change a whole country (or even inspire them to make a hilarious TV anime about it)! If you're a fan of good food and good times, then do yourself a favor and watch *Yakitate!! Japan*, because it's bound to satisfy anyone's appetite for both comedy and culture.

Find out more about Nozomi Entertainment's upcoming release of *Yakitate!! Japan* on page 21!

Wondering what it's like to create strange new breads, just like Kazuma in *Yakitate!! Japan*? Well then break out your rice cooker, because it's time to make some Ja-pan of your very own!

RICE COOKER JA-PAN

(from *Yakitate!! Japan*, Episode 27)

12 ounces Bread Flour

0.75 ounces (or 1 and 1/2 tablespoons) Butter

4 teaspoons Sugar

2 and 1/3 tablespoons Milk

¾ Cup Water

1 teaspoon Dry yeast

1 teaspoon Salt

First, measure out your ingredients, and then add the flour, sugar, salt, dry yeast (dissolved in water), water, and lastly, milk into the pot for your rice cooker. Then mix. Knead the ingredients together with your hands. After that, add in the butter, and knead it once again. Once it's no longer sticky, roll it into a ball shape. After that, leave it in a warm place for an hour to let it rise. It'll swell up and get bigger! After it's done with its first rise, you'll have to get rid of the extra gas by gently pressing down on it – don't smack it! After that, we have to leave it sit for another hour to let it rise again.

Now it's the time to cook it! Simply put it in your rice cooker and use the "cook" button. Let it cook for an hour. Then open your rice cooker, flip the bread over, and cook it again for another hour. When the second baking period is done, flip it one more time, and cook it for a third time. Once that's done, then you can enjoy some hot, fresh-baked Ja-pan! You can even add in other things to the mix, like matcha (green tea powder). Rice cookers are really versatile little machines and can be used to make a lot of things! **Don't be afraid to experiment!**

BAKEMONOGATARI

TV SERIES

KABUKIMONOGATARI: MAYOI JIANGSHI

Second arc to the Monogatari series' second season. On August 20th, on his way to delivering to Mayoi what she had forgotten at his home, Koyomi encounters Yotsugi, a familiar girl. Koyomi spends the day buying Yotsugi ice cream instead of doing what he originally planned to do. Unable to find Mayoi, Koyomi gives up and heads home and realizes that he has not done any of his summer assignments, even though tomorrow is the first day of school. With help from Shinobu, Koyomi travels back to the past so that he can finish them, but instead, they end up traveling back 11 years ago! The date is May 13th, the day before Mother's Day when Mayoi was killed in a car accident on her way to see her mother. Koyomi realizes that he can save Mayoi by changing the past, but what will be the outcome of his actions?

STAFF PICK**FANTASTIC DETECTIVE LABYRINTH**

Fantastic Detective Labyrinth is an interesting series with beautiful art that also happens to have an excellent cast of seiyuu, such as Yui Horie and Miyuki Sawashiro. Fans of Yana Toboso's Black Butler series may find a lot to like here considering the similarities between the two, though Labyrinth has plenty to offer for fans of the mystery genre as well. In this series, 12-year-old Mayuki uses his extraordinary detective skills to solve mysteries that baffle the police in the city of Kyoto.

D-FRAG

Kazama is a wannabe delinquent on a mission to rule the school, but a run-in with the clay cray cuties of the Game Creation Club derails his plan for power. Instead of conquering Fujio Academy with his fists, Kazama is plunged into a hilariously-twisted world where pain is the name of the game. Ruled by the adorable underground boss Roka, the Game Creation Club is comprised of pretty psychopaths who enjoy snacking, setting things on fire, burying adversaries up to

their necks, and tazing the ???? out of anyone who stands in their way! As Roka vies for ultimate control of the school club scene, Kazama scrambles to maintain his sanity and survive the whacked out games these girls play. There's no escaping the Game Creation Club!

DEATH NOTE

Meet Light Yagami, a brilliant but bored high school student whose life is changed when he finds the Death Note, a notebook dropped by a rogue Shinigami, or god of death, named Ryuk. When Light discovers that any human whose name is written in the book dies, he vows to use its power to rid the world of evil. But every action has its consequences, and Light soon finds himself in a life or death battle of wits with the mysterious genius detective called L. Humanity itself becomes the battleground to determine what form of justice will prevail!

DENKI-GAI

A blush-inducing, coming-of-age comedy about manga-loving book store employees!! The characters are all hard-core manga fans and maniacs of some sort, and work at the comic shop "Uma no Hone." On a daily basis, they display new releases, shrink-wrap comics, shudder at their lack of feminine qualities, question their love for porn literature... and basically have fun while working hard (?). Girls and guys call each other by nicknames and some begin to develop close relationships!

DEVILS AND REALIST

When William breaks into his family's vaults seeking funds for his tuition, he has no idea what he's about to pay for his higher education. Instead of cash, he discovers that he's supposed to choose the (interim) ruler of Hell! That would be a bedeviling predicament under any circumstances, but when the bearer of said tidings is also hitting William up for the job... Well, it's just not a good thing. Nor is it easy to put the would-be Devil behind you, as the impish Dantalion quickly roots himself into William's school life while simultaneously jockeying with an unholy host of other Arch-Fiends-To-Be for the coveted position of Devil in Charge. With a surprisingly large percentage of both students and faculty at William's school turning out to be demonic in nature, he'll need the Wisdom of Solomon to find a way to get all these devils off his heels - and fortunately for him, William apparently WAS Solomon in a former life!

DOG & SCISSORS

Harumi was the ultimate bookworm, spending days at a time with his head buried in his beloved books, and little could make him happier than perusing the pages of his favorite author, Kirihime Natsuno. Unfortunately, his life goes to the dogs - literally - when he's killed trying to stop a robber! Harumi inexplicably finds himself reincarnated as a dog... which might not be so bad if dogs could read. Or if the woman who adopted him didn't have twin predilections for playing with scissors and tormenting her new pet! But what truly makes this strange reincarnation the worst of all possible worlds is that she's also his favorite author! FAMILIAR OF ZERO

Louise Francoise Le Blanc de La Valliere's name is so long and her spell-casting skills are so poor that everyone at the Tristain Academy of Magic just calls her "Louise the Zero". Louise's humiliation only increases during an important test, where the other students summon up mythological creatures as their familiars, and she inexplicably summons Hraaga Saito, a totally normal teenager. Now she's stuck with him and Saito's stuck with the lousy life of being a familiar. Except, maybe there's more going on than meets the eye, because Saito's not prepared to accept the social inequities that Louise and other aristocrats consider the status quo, and he may not be quite as normal as everyone thinks. And the reason Louise is so bad at magic might just be that she hasn't figured out what she's good at yet. In fact, they might even have the makings of a great team... if they can learn to stand each other first, that is!

YOU'RE BEING SUMMONED
AZAZEL

Azazel had me dying of laughter. There's no denying that it's very crude comedy... but it's also very smart. Sakuma, the show's lead acts a foil for the various demons that show up. At first she's quite shocked by the things they say and do, but that changes with time and it's a lot of fun watching her grow ever more comfortable with their antics. Even more amusingly, Akutaba, the namesake of the detective agency, is imposing to the point that the thought of invoking his wrath causes the demons to pee themselves. This is absolutely silly and deranged.

In Japan, it is said that if you pray to a deity with sincerity, you will surely feel the divine presence. However, as the successor of the Saeki Inari Shrine, Makoto can do more than that. She's been seeing and speaking with spirits since her mother's funeral. It can be difficult, especially when her classmates can't know about her latest "issues" with Gintarou, the irritable fox-like Herald who protects the Saeki shrine. But at least Makoto's father knows that Gintarou is more than an imaginary friend. Between them, the shrine maid and the mystical Herald can usually manage to cooperate long enough to help those who need it. However, when a young man with a similar "gift" to Makoto's arrives, it's going to take more than just prayers to sort things out.

HOZUKI'S COOLHEADEDNESS

There are hard jobs and there are jobs that seem outright impossible, but in the end, the most difficult job in all creation probably belongs to Hozuki, Hell's hardest working bureaucrat. That's because Hozuki is Deputy Chief to Enma, the King of Hell. Enma spends all his time sitting in judgment of the recently deceased, so it's up to Hozuki to keep the dark half of the afterlife running smoothly. And that would be hellishly complicated even if Hell wasn't constantly short on good help. Fortunately, Hozuki's not the typical bureaucratic tothead you'd expect to find heading a department of infernal affairs. Fiendishly clever and determined enough to dedicate multiple lifetimes to a task, he'll get the job done even if it means breaking a few unbreakable rules and running circles around Hell's normal operating procedures.

"I don't want it." Just like that, Kotoko's dreams were smashed. For two years she's harbored a crush on Naoki, and when she finally gives him a letter confessing her love for him, she's rejected. What chance did she really have, when she's just an average girl at the bottom of their class, and he's the sporty, handsome, athletic genius at the top? Things only get worse when an earthquake destroys her home and she and her father move in with a family friend. As fate would have it, her father's friend turns out to be Naoki's father, and Kotoko suddenly finds herself living in the same house as the man of her dreams! Though they may be living together, they couldn't be more distant, as Naoki's disdain for "dimwitted girls" keeps him cold to her. Yet the life of a "perfect" genius contains few surprises, and Kotoko may just have some in store for him!

OVA LIBERATOR

Years after the events that transpired in Kite, Sawa's whereabouts are a mystery. Soon, rumors of a new killer begin to circulate the city. They call her the Angel of Death, an unfeeling assassin who eliminates her targets with grace and precision, leaving only a flurry of feathers behind as her calling card. What the public is unaware of is the fact that this notorious hitman is actually a polite young lady named Monaka. Like her predecessor, Monaka has lost most of her family, and her father's duty as an astronaut keeps them literally worlds apart. Despite the physical distance, her father promises her that he will return someday. Until then, the mundane daily routine for the timid and clumsy Monaka is school and a part-time waitress job - except when she receives an assignment and instantly becomes a cold-blooded killer!

COWBOY BEBOP

It's been a long time coming, but Shinichiro Watanabe's classic anime series has finally been released on Blu-ray. The stylized action in Cowboy Bebop always makes for an exciting watch, and they're helped even further with composer Yoko Kanno's incredible music (not to mention the insanely catchy theme song). The chemistry between such wildly different characters is incredible, especially between the cocky, rebellious Spike and the straight-laced Jet. It's all these fantastic elements coming together that make Cowboy Bebop the well-remembered classic that it is, and its gorgeous new Blu-ray release is most welcome.

Hazuki may be near-sighted, but he knows true beauty when he sees it. The delicate form of flower shop owner Rokka draws him in like a bee to honey. Hoping to cultivate a relationship between them, Hazuki takes a part-time job at her shop only to discover two huge thorns preventing the nurturing of any romance. The first, that fact that Rokka is still grieving for her late husband Shimao, would be enough to snip most men's ardor short, but it's the second that really threatens to make Hazuki's torison hopes wilt. While Shimao is most definitely deceased, he hasn't yet departed, and his spirit is still living in Rokka's apartment!

NO MATTER HOW I LOOK AT IT... SEE WATAMOTE**NOBUNAGA THE FOOL**

Long ago the world was split into two planets, forming the West and East Stars. After years of war and strife, the Western Star has finally become united under a single king, the legendary Arthur. But conflict still threatens to consume all until hope arises in a vision: a vision of a champion who could save the futures of both worlds. Setting forth on a dangerous journey, Joan d'Arc must travel from the West world to the East, seeking the man she believes can use the devices of the great Leonardo Da Vinci and become their savior. But will Nobunaga Oda be the kind of man they are expecting? Will history's greatest heroes find themselves choosing not a liberator, but a destroyer? Or is Nobunaga's role that of the Fool from a deck of tarot, the wild card whose purpose is to invoke chance, no matter what the cost?

NON NON BIYORI

When Hotaru transfers from a school in bustling Tokyo to a tiny school in a quiet countryside village, she should be experiencing major culture shock. After all, there are only three

other girls in the school, and none of them are even in the same grade as her. But adjusting isn't too hard for Hotaru thanks to first grader Renge and the Koshigaya sisters, Natsumi and Komari, who are in the seventh and eighth grade respectively. Even though it takes 20 minutes by bicycle to get to the only place that sells comics and the video store is 10 train stations away, there's something about the laid-back lifestyle that makes her feel right at ease.

OUTBREAK COMPANY

So, there's this super otaku, and he finds this mysterious job listing online specifically requesting an otaku, and he's knocked out at the interview and wakes up in this fantasy world, and then there's this maid and a tsundere princess, and...Wait, where are you going? Come back! No, seriously - Outbreak Company is a rock solid entry in the meta-humor genre, in spite of or perhaps even because of its harem trappings. The jokes are fully self-aware and don't shy away from self-deprecation. The plot is surprisingly thoughtful, too - less surprising when you find out it's by the author of Scrapped Princess.

POM POKO

Pom Poko is a tale of the clash between modern civilization and the natural world. The Raccoons of the Tama Hills are being forced from their homes by the rapid development of houses and shopping malls. As it becomes harder to find food and shelter, they decide to band together and fight back. The Raccoons practice and perfect the ancient art of transformation until they are even able to appear as humans. In often hilarious ways, the Raccoons use their powers to try to scare off the advancement of civilization. But will it be enough? Or will the Raccoons learn how to live in balance with the modern world?

THE NEW FILES (2/1990)

Every cop has a story to tell, but not all of them are safe to show on television. That's especially true in the crazed world of the Tokyo Metropolitan Police's Special Vehicle Section, because when you toss giant robots into the mix almost anything can happen. A teddy bear holding people hostage and a search for albino alligators may just be typical days on the job, but what about an undercover mission into a public bathroom looking for suspicious moles? What happens when the only place where you and your coworker can wait out a typhoon is a room in one of Japan's notorious "Love Hotels"? But not every story has a humorous edge, and what begins as a battle for corporate survival turns into a melee in the streets as the makers of the deadly Griffin return for the ultimate exercise in urban combat!

Everyone has a circle of friends they hang out with. But even within a small group there are smaller groups of friends, best friends and - here's where it gets complicated - boyfriends and girlfriends. Sometimes relationships just develop in a way where you're not exactly sure what you are to the other person, which is the problem Tsukimi has when it comes to Io. Io's as tall and easygoing as Tsukimi is short in both temper and stature, but he also seems to be totally clueless about how she's starting to feel. It's just confusing and irritating. That leaves Tsukimi stuck in a quandary. Are she and Io just best friends? Is it worth risking that for what Tsukimi wants? It's a puzzle she'll have to solve as they live from one moment to the next.

The only reason why Yugo decided to attend the Oezo Agricultural High School (a.k.a. Ezono) was simply because the school had a dormitory. Entering Ezono was a way for Yugo to run away from the stifling academic pressures in the city, however, it didn't take long for him to realize that life is not that simple. Yugo is soon forced to face more hurdles in his new environment surrounded by all the farm animals and the magnificent Mother Nature. He also begins feeling a different kind of pressure as he deals with his classmates who, unlike him, all have a clear view of what they want for their futures.

SPACE BROTHERS

Mutta's life has hit rock bottom. He's been fired, blackballed from his profession, and even had to move back with his parents. Meanwhile, the career of Mutta's brother, Hibito, has

taken off like a rocket as he trains for the job Mutta once dreamed of: becoming an astronaut. But is it ever too late to go after your dreams? Through a little coercing and a bit of covert activity, Mutta's family and friends can get his resume on the right desk, but from that point on it'll be up to Mutta himself. Does he have what it takes to turn his life around and put his footprint on the moon?

SPACE DANDY

Rocket into the outer limits with the one and only Dandy! This dreamy space case and his to-die-for pompadour jet across the galaxy in search of aliens no one has ever laid eyes on. Capturing rare species may pay the bills, baby, but Dandy would rather kick back and enjoy the scenery at the nearest Boobies. Joined by his misfit sidekicks - a rundown vacuum cleaner robot called QT and Meow the alien space cat - Dandy boldly goes where no dapper dan has ever gone before. Hotly pursued by the chimp-faced Dr. Gel, the adventures of Dandy and the gang will make you laugh, then cry, and then laugh till you cry all over again. Buckle up for blast off, baby! You're cruising with the Dandy now, and he don't stop till the end

STELLA WOMEN'S ACADEMY

When Yura Yamato's roommate Sonora asks her to join her club, it quickly becomes clear that the girls of Stella Women's Academy are VERY different. It turns out that she belongs to a club known as C3 (which stands for Command, Control and Communications) whose main after school activity is playing survival games! It's not a typical teenage girl pastime, but Sonora and her trigger-happy friends are seriously into it. The question that puts her in the crosshairs of a dilemma is if she has what it takes to join up, stand up, and deliver in the face of friendly fire.

STUDENT COUNCIL'S DISCRETION

At Hekiyo Academy, all but one of the Student Council members are elected via popularity contests, and since teenagers think with hormones more often than intellects, those seats are filled by the attractive denieries of the school's most beautiful girls! That makes things extra rough on the one student chosen for academic scores, because besides being the council's only male member, one of Ken Sugisaki's main assignments is writing stories informing the student body about the many achievements of their Student Council. To do that he'll have to manipulate the truth just a bit, and given that Ken's a besotted fan of dating games who fantasizes about his fellow council members as his "harem", things tend to get even more out of hand.

SUNDAY WITHOUT GOD

Fifteen years ago on a Sunday, God abandoned the world and closed the gate to Heaven, leaving the souls of humankind trapped in limbo. With the dead unable to rest and the living unable to have children, the world is slowly coming to a halt. The only key to mankind's salvation rests with the Gravekeepers, mysterious beings charged with the task of sending the deceased to their final resting place. Twelve-year-old Ai, one of the last children in the world, soon finds herself shouldered with the burden of becoming her village's newest Gravekeeper. But beneath the village's unassuming exterior lies a dark secret that is revealed with the arrival of a gun-wielding stranger in black. With her position as a Gravekeeper now uncertain, Ai has no choice but to set out to put the living dead to rest. But in a world where no one can die, is death truly the ultimate blessing?

MOVIE

Influenced by the Robot Ethics Committee, it's become common sense for people to treat androids like household appliances. Their appearance - indistinguishable from humans except for the ring over each android's head - has led some people to empathize unnecessarily with androids. Known as "android-holics", such people have become a social problem. Rikuo, a high school student, has been taught from childhood that androids are not to be viewed as humans, and has always used them as convenient tools. One day Rikuo discovers some strange data in the behavior records of his family's household android, Sammy. Rikuo and his friend Masaki trace Sammy's movements, only to discover a mysterious cafe that features a house rule that "humans and robots are to be treated the same"...

WATAMOTE

At the tender age of 15, Kuroki has already dated dozens and dozens of boys and she's easily the most popular girl around! The only problem is that absolutely none of that is real, and her perfect world exists only via dating games and romance shows. In fact, the sad truth is that she gets tongue-tied just talking to people, and throughout middle school she's only had one actual friend. All of this makes Kuroki's entrance into the social pressure cooker of high school a new and special kind of hell. While Kuroki desperately wants to be popular, she's actually worse off than she would be if she was completely clueless as to how to go about it. After all, the things that work in "otome" games rarely play out the same way in reality, especially when the self-appointed "leading lady" isn't the paragon she thinks she is. There's not much gain and plenty of pain ahead, but even if it happens again and again, there's always someone else to blame!

FREQUENTLY ASKED QUESTIONS

ITEM LISTINGS

Ratings System

To benefit our customers, we have implemented a rating system for many of our products based on the manufacturer's suggested rating for each title.

N/R

Not yet rated.

ALL, 7+, 10+

Generally acceptable for children. No nudity. Possible mild violence.

12+, 13+, 14+

Parental discretion advised. May contain violence, brief nudity, mature themes, and/or mild language. May suggest sexual situations, but no such situations are shown.

15+, 16+, 17+

Strong violence and explicit language. Nudity may be prevalent. Mild sexual situations may be shown.

18+

Extreme violence and/or explicit nudity. May contain sexually explicit material. Absolutely not for anyone under 18 years of age.

Please note: Right Stuff does not set ratings and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only and are subject to change.

Runtime / Page Count

The listing for each item contains information detailing its approximate length. Depending on the manufacturer, this may or may not include extra bonus features, such as previews or forwards. An N/A indicates that the manufacturer has not provided this information at this time.

Edited / Uncut

Although many fans screech in horror at the very thought of altering the original Japanese version of a show, for a series to make it to American TV (or even into some retail stores), it is often edited. This can mean that scenes containing nudity, excessive violence, blood, and foul language are altered or even totally removed. Anime purists may want the original in all its glory, but parents of young TV viewers do not. Manufacturers recognize this and sometimes release both the Edited (TV) and the Uncut (original) versions of the show.

DUB ONLY? SUB ONLY?

Although DVDs and Blu-ray discs allow for the possibility of multiple languages, it's not always possible to produce a title for dual-language release. So, you end up with manufacturers releasing discs that are Subtitled Only (SUB ONLY) or English Dubbed Only (DUB ONLY). Subtitled discs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. If we are aware that a title is dub or sub only, it will be noted as such in the product listing.

Release Dates

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed. However, manufacturers can (and often do) change these dates due to production delays. If you are pre-ordering an item and are concerned whether it's on schedule, please feel free to check the release date on our online store or to contact our friendly Customer Care representatives.

OVA (OAV)

OVA stands for Original Video Animation. Basically, this means it is a direct-to-video release.

Special Collections

Certain DVD and Blu-ray items are marked with names such as "Anime Classics," "S.A.V.E. Edition," etc. These are re-releases of the original discs at lower prices.

However, these editions may or may not include all of the features that were found on the original releases. If you are concerned that the item you are considering may not contain the features that you want, please check the item's listing through our online store or feel free to contact Customer Care.

Missing Volumes

You may notice volume gaps in our printed catalog listings. This is not necessarily because the products aren't available, but merely because we couldn't fit every item into the printed catalog. If you are looking for a certain volume, please feel free to contact Customer Care or check our online store.

Omnibus Editions

An omnibus collects two to four "regular" volumes into one book. Omnibus volume numbers don't always match the regular volume numbers.

Print on Demand (POD)

Some books are marked "Print On Demand." This means they are part of the Right Stuff Print on Demand program and are printed to meet orders. The paper quality used is higher than that of "regular" manga, but they may take extra time to ship if we do not have any copies already in stock.

DVD-R

These are DVDs printed to order by the manufacturer. They will play in DVD players that play regular DVDs. Depending on the manufacturer, they may or may not feature artwork on the top of the discs.

DVD/BLU-RAY SPECIFIC

Can my DVD play in a Playstation / Xbox / personal computer?

It depends on the DVD. There have been instances of some DVDs having difficulty playing in certain players. While the vast majority of DVDs will work just fine, we cannot guarantee all DVDs will play correctly on your Playstation, Xbox, or personal computer.

Will a Blu-ray disc play in my regular DVD player?

Just as CDs and DVDs require different types of players, so do DVDs and Blu-ray discs. In order to play a Blu-ray disc, you must have a Blu-ray player or a device capable of playing a Blu-ray disc.

Will a DVD play in my Blu-ray player?

While some Blu-ray players will also read DVDs, not all do. We cannot guarantee that all DVDs will play in your Blu-ray player.

What is Region Coding?

Region coding is a geographical restriction for DVDs and Blu-ray discs. Since players are region specific, you need to make sure that the item you purchase is coded for the same region as your player. All DVDs and Blu-ray discs we sell are region coded for the United States.

What region is my player?

If you purchased your player from a retail outlet in the U.S., it should be Region 1 for DVD players or Region A for Blu-ray players. You can check the region coding on your player by looking for the region code symbol on the player's packaging.

DVD Region Codes:

- 0 Region Free
- 1 United States and Canada
- 2 Europe, Egypt, Arabia, Japan and South Africa
- 3 Korea, Thailand, Vietnam, Borneo and Indonesia
- 4 Australia, New Zealand, Mexico, the Caribbean and South America
- 5 India, Africa, Russia and former USSR countries
- 6 China

Blu-ray Region Codes:

- A The Americas, Korea, Japan and Southeast Asia
- B Europe, the Middle East, Africa, Australia and New Zealand
- C Russia, India, China and the rest of world

GENERAL

What's this "Got Anime" thing?

It's an easy way to get an additional discount on your favorite anime items. For a small yearly membership fee, you get additional discounts, newsletters, and members-only specials! Read more about the Got Anime Savings Club on page 3.

Memberships are non-transferable and are linked to the billing address of your account. If you move, please make sure to contact us with your new address so that we can update your membership information.

I saw this show that I think might have been anime. Do you have it?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's a magic user, a guy with a sword, and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't necessarily mean that it's available in the U.S. as a licensed product, but it could be.

Why isn't (title here) available in the U.S.?

You might be surprised to find out how much anime is available in the U.S. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and of course, some are currently in negotiation. With the exception of a few TV series (which are a different matter entirely, due to their length), this just about covers it. We do not sell bootlegged products.

Why don't you carry many imports?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are generally only listed on our online store, so if you're looking for a particular item, please check our online store or contact Customer Care.

Why don't you have (title here) audio soundtrack from Japan?

See the previous question. You also might want to check our online store, since some titles are available domestically.

I really want to learn Japanese. What resources do you have?

We have many products to help our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, we carry the latest items to help you learn the Japanese language. These items are available on our online store, including everything from videos and textbooks to memory aids and intermediate readers.

Can I special order items that are not on the online store?

Simply put: if it isn't on our online store, we can't get it at the moment.

Do you carry adult products?

Since this catalog is delivered to anime fans of all ages, we've taken special precautions to ensure younger fans are not exposed to listings for products that contain adult situations or sexual content. Products of this nature have been placed in a special adult insert, and you will only receive it if you have ordered these products in the past.

If you would like to receive a printed copy of the adult section, you can send a written request to:

ORDER FORM INFORMATION

CUSTOMER CARE

How can I contact you?

Our friendly Customer Care representatives can be reached by phone from 8AM to 5PM Central Standard Time (CST), Monday through Friday:

By Phone: 1-800-338-6827

By Live Chat: [www.rightstuf.com](#)

You can also contact us day or night, 7 days a week, online:

On the Web: [www.rightstuf.com](#)

By Email: [info@rightstuf.com](#)

Please do not email your credit card information.

You can also contact us by the traditional methods:

By Mail: Right Stuf

512 NE Main St.

Grimes, IA 50111-2188

By Fax: (515) 986-1129

(Please use FINE mode)

If I move, should I inform you?

Certainly a good idea, especially if you want to keep getting stuff from us. Just call our friendly Customer Care representatives who will be happy to update your information.

Can I get a new order form?

You can give us the information on the form or on any scrap of paper. As long as we can read it, you're fine. You can also print copies of it at:

[www.rightstuf.com/orderform](#)

How can I check on my order?

If you placed your order through our online store, you can check your order status when you log in. Otherwise, simply call our friendly Customer Care representatives at 1-800-338-6827, live chat or email us at [info@rightstuf.com](#)

Will I get your next catalog?

If you've ordered something from us in the last 6 months, you will automatically receive the new catalog when it is shipped. If not, you may find that you'll stop receiving catalogs, and you will have to send us the current catalog fee to reactivate.

Why do you charge for your catalog?

In order to keep producing a printed catalog, we have to charge a small fee for it. However, you can get your money back by using the \$4-off coupon on page 2!

Can I opt out of receiving your printed catalog?

Absolutely! Please call or email our friendly Customer Care representatives and they will be able to assist you.

Privacy Policy

Right Stuf does not sell or share any personal information you may provide. This information is collected only to contact you should a problem arise with your order.

COUPONS

Can I use my coupons online?

Yes, you can. Simply use the coupon code that is on your coupon when you place your online order.

How many coupons can I use?

You can only use one coupon per order, and some coupons can only be used one time per customer. Some coupons can also only be used through our online store. This is generally due to specific date or manufacturer requirements, which cannot be imposed on mail-in orders. Please review the coupon restrictions to see if it can be applied to your order.

MAIL-IN ORDERS

I want to your online store to order, but I don't have a credit card. Help!

Should you prefer to use the online store to select

items, you can actually use it to place an order by mail! Simply select all of the items you want and place them in your cart. When you proceed to checkout, make sure to choose the "faxed or mailed order" option. This will generate a printed form with everything already added up for you (no more calculators!). Just print this form and mail it in with your payment.

Although you can use the online store to generate your order, nothing will be recorded by our system, so make sure that you don't lose your form or you'll have to re-enter everything all over again! Online coupons are not valid on mail-in orders.

Why do you hold my order for 12 days when I pay by check?

Even with all this cool technology, checks can still require at least 12 days to clear.

What's this NSF charge?

"Non-Sufficient Funds" means that your check bounced. There is a \$25 charge for all returned checks. Once you have bounced a check, all further orders must be paid for by either credit card or money order.

Do I need to add sales tax?

Only if you're shipping to an Iowa address.

PAYMENT METHODS

Do you take VISA / MasterCard / Discover / American Express?

Yes to all. About the only plastic that we don't take are standard ATM and gasoline cards. If you're paying by credit card, we may contact you to obtain additional details for security purposes. Shipment may be delayed until we have received the information necessary to complete your order.

If I order using a credit card, when do you charge it?

Credit cards (by law in our state, actually) get charged only when the product actually ships.

Can I pay by check / money order / COD?

We accept domestic (U.S.) checks and money orders in U.S. funds. Please make all checks/money orders payable to Right Stuf, Inc. All checks require at least 12 days to clear our bank. Sorry, no CODs. PLEASE DO NOT SEND CASH THROUGH THE MAIL!

Can I pay with my PayPal account?

Sorry, we do not accept PayPal at this time, but we do accept the PayPal Mastercard.

SHIPPING CHARGES

If you are shipping to a U.S. address and your order exceeds \$49 (before freight), then economy shipping is FREE!

Shipping Options

Economy: 4-14 Days.

\$3.49 for first item + \$1 each additional item.

Expedited: 2-5 Days.

\$6.49 for first item + \$1 each additional item.

How much is shipping for box sets?

Box sets are considered a single item for shipping purposes.

I'm not at home during the day. Can you ship to my office?

Certainly. In fact, we prefer to do this to ensure that you actually receive your order. We require that you include the business' name in the address so your delivery person can get your package to you. If your package is returned to us, we will charge you an additional shipment fee to reship it.

SHIPPING TIME

Can I get a shipping confirmation sent to me?

Shipping confirmations are sent via email to the email address provided on the order form. Please make sure to write your email address as clearly as possible.

How long will it take to ship my order?

From the time we receive your order, standard processing time is 1-2 days if all of the items on your order are in stock. If some of the items on your order are backordered, it takes an average of 10-14 business days for us to receive these items from the manufacturer and this may cause a delay in the shipment of your order. Once all of your items are in stock, your order will be shipped via your selected shipment method.

How long will an item be out of stock?

With a few exceptions, item delays can be measured in days. There are some freak delays, but 10-14 business days is pretty typical. However, please keep in mind that some items are directly imported from Japan and may be in short supply even there. Should the manufacturer or the Japanese vendor be out of stock at the time of our re-supply order with them, it may be a bit longer. We keep thousands of items in stock, and our computer system automatically adjusts stock levels based on demand.

I chose expedited shipping when placing my order, but it took 2 weeks to arrive. Why?

You must have ordered a product that we didn't have in stock at the time that we received your order. If an item is out of stock when we receive your order, we still ship it out by express delivery when we receive it from the manufacturer.

Do you do split shipments?

We may, at our option, ship your order in multiple shipments. Please note that, in general, only shipments using economy shipping will receive partial shipments. Due to increased transportation costs, orders shipping by expedited shipping may be held until the order is complete. You may request a shipment of in-stock items at any time for an additional fee (based on the ship method you have selected) by contacting Customer Care.

RETURNING MERCHANDISE

When I got my item, it was defective. What can I do?

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace it. Unopened DVDs and Blu-ray discs can be returned for Right Stuf store credit (or in the case of credit cards, refunded to the issuing card).

All returns/refunds must be processed within 90 days (120 days if you are a Got Anime member) of the date on your purchase invoice. If you need to complete a return/refund, please obtain a return authorization number from Customer Care at 1-800-338-6827, or utilize our online return request form at: [www.rightstuf.com/requestform](#)

Products returned without a return authorization number, or those over 90 days (120 days for Got Anime members) past the invoice date, will be returned to the customer at our option.

Do I have to pay shipping to return a product?

Yes, but we will pay the shipping to send the replacement back to you. We suggest using the least expensive shipping method available that can be tracked. If you have accidentally been shipped an item that you did not order, we will reimburse your shipping costs to return the item to us.

The packaging said it would include (special item), but mine doesn't have it!

Unfortunately, we have no control over what manufacturers decide to place inside of their products. Sometimes the manufacturers do provide special extras, but we cannot guarantee that these items will be inside of the products that we receive. Should the item not be included, we suggest that you contact the manufacturer directly.

07-GHOST

All Teito Klein wants is to forget his murky past as an orphan and slave and to graduate from Barsburg's military academy with his best friend Mikage. But when an overheard state secret triggers treasonous memories, he's forced to flee from the very empire he once sought to defend! Teito escapes to the Barsburg Church. There, with the help of his three bishops, he begins to unravel his role in the story of an evil god, seven ghosts, two rival empires, and his own mysterious past.

12 BEAST

Elita Touga, a seemingly normal high school student, is secretly the heir apparent to a distinguished line of ninja. Unfortunately for the Touga Clan, Elita has no interest in taking over the family business. More interested in the virtual reality of video games than real life, Elita has sequestered himself to a life of digital bliss. That is until one fateful day, when a mysterious harpy girl kicks in the door to his family dojo and spirits Elita away to a world full of mythological creatures. Can an unwilling slacker of a ninja like Elita help the denizens of another world stave off an invasion by a technologically-superior empire?

CENTAUR'S LIFE

Himeno is a sweet, shy girl, who, like many teens her age, struggles with the trials and tribulations of attending high school. The difference is she's a centaur - but she's not alone. In fact, all of her classmates are supernatural creatures, sporting either horns, wings, tails, halos, or some other unearthly body appendage. Yet despite their fantastical natures, Himeno and her best friends - the dragon-winged Nozomi and Kyoko with her spiraled horns - are down-to-earth, fun-loving teenagers who grapple with issues of life and love in a mostly normal daily school setting.

D-FRAG!

Kazama Kenji thinks he's a delinquent. He's got the look, the style, and the attitude to match; he even has a second-rate entourage of sorts. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Creation Club. The club's formidable members, Chitose, Sekura, Minami and Roka, are four girls who he might actually be attracted to if they weren't so freaking weird. The girls claim to have otherworldly powers which they use to defeat Kazama's gang and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life... or is it "game over" for our hapless hero?

GARDEN OF WORDS

Two lonely souls meet under the shade of a garden gazebo during a downpour. They are both playing hockey, but in the case of Takao, he is cutting school, while Yukari should be at work. This encounter was random, it will not be their last, as their lives will become intertwined with the rain, beer, school, and shoe cobbling. Words are not often necessary, but in this case just a few words can make a difference in the hearts of many.

LOVE AT FOURTEEN

The second year of junior high is when most students are in the throes of puberty and feeling the pangs of first love. It's no different for Kanata and Kazuki, a boy and a girl who have been friends since elementary school. But even though Kanata and Kazuki are at the same point in life as their classmates, an air of adulthood sets the two apart. Kanata is taller and more attractive than the other girls, but the boys stay away because she seems too mature for them. Kazuki too stands out from the other boys, but the girls are wary of him because he seems like a player. And so, Kanata and Kazuki are thrown together in a tale of two very adult students falling in love like the teenagers they are.

MONSTER MUSUME

Three years ago, the world learned that all manners of fabulous creatures are not merely fiction; they're real. Thanks to the "Cultural Exchange Between Species Act," these once-mythical creatures have assimilated into society, or at least, they're trying. When a government Kurusu Kinnihito is inducted as a "volunteer" into the hapless cultural exchange program, his world is turned upside down. A snake-like Iemina named Misa comes to live with him, and it is Kurusu's job to make sure she integrates into his everyday life. Unfortunately for him, she's undeniably sexy, and the law against interspecies breeding is very strict. Even worse, when a ravishing centaur girl and a flirtatious harpy move in, what's a full-blooded teenage human with raging hormones to do?!

SO, I CAN'T PLAY H

One fateful day, Ryousuke, a typical hopeless romantic and hopelessly perverted high school student, has a chance encounter in the rain with a beautiful girl. After graciously offering both his home for her to dry off in and his help for anything she might need, the mysterious red-eyed beauty thanks him by stabbing Ryousuke in the chest! To further complicate matters, the girl, Usara, is actually a shinigami and he's somehow unwittingly agreed to let her use his "essence" to remain in this world. But instead of shaving years off his life like one might expect of a typical shinigami, Usara seems more interested in... leeching the litch right out of him?!

SWORD ART ONLINE ORIGINAL SERIES

In the year 2022, gamers rejoice as Sword Art Online opens its virtual doors. Now players can take full advantage of the ultimate in gaming technology: NerveGear, a system that allows users to completely immerse themselves in the game by manipulating their brain waves to create a realistic gaming experience. When the game goes live, the elation of the players quickly turns to horror as they discover that SAO is missing one of the most basic functions: a log-out button. Now trapped in the virtual world, their bodies held captive by NerveGear in the real world, users are issued a chilling ultimatum: conquer all one-hundred floors to regain their freedom. In the warped world of SAO, "game over" means death - both virtual and real...

TERRA FORMARS

In the late 26th century, overpopulation on Earth is reaching the breaking point, and humanity must find new frontiers. The colonization of Mars by humanity is an epoch-making event, but an unintended side effect of the terraforming process unleashes a horror no one could ever have imagined... After humanity's first manned mission to the Red Planet was lost, a second expedition arrives. The explorers prepare to exterminate the cockroaches that were used to transform the Martian environment. They are shocked to discover that the insects have mutated into giant, aggressive humanoid with one overriding goal: exterminate the humans! But this crew of explorers has each undergone the "Bugs Procedure," terrifying experimental surgery designed to make them more

than human...

STAFF PICK

ALL YOU NEED IS KILL

"The Edge of Tomorrow," may have Tom Cruise, but the manga adaptation of Hiroshi Sakurazaka's popular novel features the artist of Death Note, Takeshi Obata. I've not read the original novel, but the manga seemed to do a fantastic job at telling the story. If you're not familiar with the premise, it's a science fiction/action story about a soldier who is reliving the same battle over and over again. Each day, he dies only to reawaken on the eve of battle once again, a little wiser than before. The artwork is quite splendid and is based on the original novel illustrations by Yoshitoshi ABe. I highly recommend picking this one up!

NO GAME, NO LIFE

No Game, No Life is a clever story in its own unique way. The two main characters are known in our world as undefeatable gamers, but after a god from a fantasy world abducts them, the characters have the choice to play games and manipulate their opponents into giving them everything from food to kingdoms. While there is quite a bit of fanservice, there's a lovable charm to the story, and there's no denying the artwork is gorgeous.
